

## Lahave River Campground – COVID-19 – 2020 Health Protocols – Updated July 27<sup>th</sup> 2020

Due to the current Nova Scotia State of Emergency and the Covid-19 Pandemic, Lahave River Campground in conjunction with Campground Owners of Nova Scotia, and the Nova Scotia government, need to implement the following public health protocols for the 2020 camping season.

The goal of which is to stop the spread of Covid-19 and to protect our employees and campers.

Please note that because of the ever changing situation, and the speed to which new protocols are implemented, these protocols as listed may change. We will do our best to keep our campers and employees informed as quickly as possible. If you have any questions or concerns please do not hesitate to ask Angela for clarification. We appreciate your patience, understanding and cooperation as this is a new situation for all of us.

1. You can not do a quarantine in the campground. If you are sick or have symptoms, please stay home.
2. All campers must sign a health screening questionnaire. Campers with any symptoms will be denied access to the campground.
3. We are currently not allowing visitors for transient campers at this time.
4. Starting July 31 2020 masks / face coverings will be required in the office and shelter.
5. Social groups of up to 10 no longer need to social distance. Please maintain as much as possible the same group of 10.
6. All facilities are open, but social distancing must be maintained. This includes the playground, games room, horseshoe pits and mini golf.
7. The swimming holes are now open as long as the 2m physical distancing is maintained.
8. All organized activities will have social distancing protocols in place.
9. The bathrooms, portapotties, and laundry room are open to one family unit at a time. With a cleaning schedule of every 4 hours between 10am and 10pm.
10. Physical distancing of 2m is required. The gathering limit has increased to 250 outdoors and 200 indoors as long as social distancing protocols can be maintained. This far surpasses our facility limits.
11. Only one person / family unit in the store at a time.
12. Do not put disinfectant wipes, or gloves, through the septic system.
13. We have implemented a remote / online check in option for campers.
14. Seasonal lot fees and power bill invoices will now be emailed out.

Camping 2020 will certainly be a different camping experience, but we are hoping to make it a safe and enjoyable one, none the less.

Happy Camping

## Lahave River Campground – Rules

## Camping Health Screening Questionnaire

The safety of our employees, campers, and families remains Lahave River Campground’s top priority. As the Coronavirus (COVID-19) outbreak continues to evolve and spread throughout our community, Lahave River Campground will continue to monitor the situation closely and will periodically update company guidance based on current recommendations from the Federal / Provincial Governments and the NS Health Authority.

To prevent the spread of COVID-19 and reduce the potential risk of exposure to our employees and campers, we are conducting a simple screening questionnaire. Your participation is important to help us take precautionary measures to protect you and everyone else in this campground. Thank you for your cooperation.
